Please discuss in detail why you're interested in serving on the Town Council and describe specific areas of concern, if any, about the Town.

Please describe any prior employment or volunteer experiences which describe your qualifications for the Town Council position.

Building upon the previous statement, please expand on any circumstances in which you worked as part of a team. What were your strengths and weaknesses?

Please write in detail what you perceive as one or two important concerns facing the Town.

What, if any, experience do you have working with budget setting and financial planning?

Appointment to the Town Council requires a medium-term time commitment between 1-4 years. Are you willing and able to serve for this amount of time?

Being a town council member requires attendance at special meetings and study sessions plus your presence at occasional community events. Do you foresee any conflicts which might hamper your participation in these meetings or activities?

Please talk about a situation in which you've had strong points of view. What was your approach to seeking compromise or consensus? Are you able to diplomatically stand up for your point of view?

Submitting a resume with this application is strongly encouraged.
